

Deer Creek Gazebo Park Up and Running

Category : News from the Deer Creek Homeowners Board

Published by [Judy Smith](#) on 7/25/2013

A couple of years ago, the Board purchased the gazebo park located in the Villas of Deer Creek near the intersection of Scott and Read. Since then, we have continually worked at improving the landscaping and just recently, the waterfall feature and stream have been returned to operational condition. I would invite all of Deer Creek Residents to take the time to walk through the area to see how beautiful the park looks after renovation. The park is open to all residents for your use and enjoyment. Let me know if you have any questions.

Rich Rozgay

President, DC HOA
